MEMORANDUM

TO: Mr. John H. Richardson
Chief, Training Division, CIA

FROM: Randolph A. Kidder - O/FSI/NIS *pmh*

SUBJECT: Student Evaluations, 31st Session

There is enclosed a summary of the evaluations by the students attending the 31st Session of the NIS, which completed its work on May 26.

I am particularly encouraged by the second paragraph of the summary which indicates that we are having some success in our attempt to delve deeper into policy problems in a broad context and to get away from individual country problems. I am also pleased by the reaction to our reading programs.

Enclosure:
